FOIA Request

Date: 7-6-17

To: EPA Inspector General's Office

From: Evan Schreiber, KOLD-TV, Tucson

This is a request under the Freedom of Information Act (5 U.S. Code 552) for a copy of the following records:

- All closed and substantiated reviews and/or investigations into <u>cases of computer misuse</u>, specifically at the departments or offices located in Arizona.

I am requesting media fee waiver, fast track, and expedited treatment because the subject concerns a matter of exigency to the public and newsworthiness about what the government is doing. This statement of compelling need is true and correct to the best of my knowledge and belief. Please telephone me if I can clarify or expedite this request in any way.

The Act requires the fullest possible access to public records. Denial of any part of this request should be accompanied by a written statement of exactly what is being denied and the specific reason, subject to judicial review.

The law also requires that if part of a record is exempt from disclosure, you must redact and release all segregable parts.

Please phone the KOLD desk at 520-744-6397 when records are ready in order to arrange for pick up.
